

Matlock

TOWN COUNCIL

Matlock Town Council Strategy 2023-2027

This strategy describes the Council's agreed aims & plans for the period 2023-2027

OUR VISION

We will continue to build & maintain:

- A strong & active community with strong community organisations
- An attractive & well-cared for environment adapted to the climate emergency
- A thriving business community
- An efficient & effective Council

OUR AIMS

We recognise that Matlock Town Council is one of three levels of local authority that all play a part in achieving this vision & that Council's limited resources need to be used with care.

Council will strive for continued improvement of Matlock's environment, in consultation with the community & stakeholders, to keep it as an attractive & sustainable place to live, work & visit; to provide facilities for community events & to provide a diverse programme of events throughout the year.

PROGRAMME OF WORKS 2023—2027

Matlock Town Council will:

- Develop & maintain links with local businesses, schools & community groups
- Engage with partners to further develop community events & other projects that seek to enhance the town
- Maintain our two-way communication with residents & businesses, taking into account the changing way in which communication takes place
- Ensure that the Imperial Rooms continue as a community venue & ensure they are efficiently managed
- Work with the County & District Councils to ensure that public buildings & spaces are efficiently managed & maintained
- Proactively manage Council buildings, vehicles & operations in accordance with environmental & climate change policies
